Adult Education Data Review

Agents of Change Adult Education Conference

French Lick Springs Hotel

April 27th, 2016

Introduction

Marilyn Pitzulo

mpitzulo@dwd.in.gov

812-345-5446

BS Accounting, 1986 University of Florida

MBA, 2013 Western Governors University

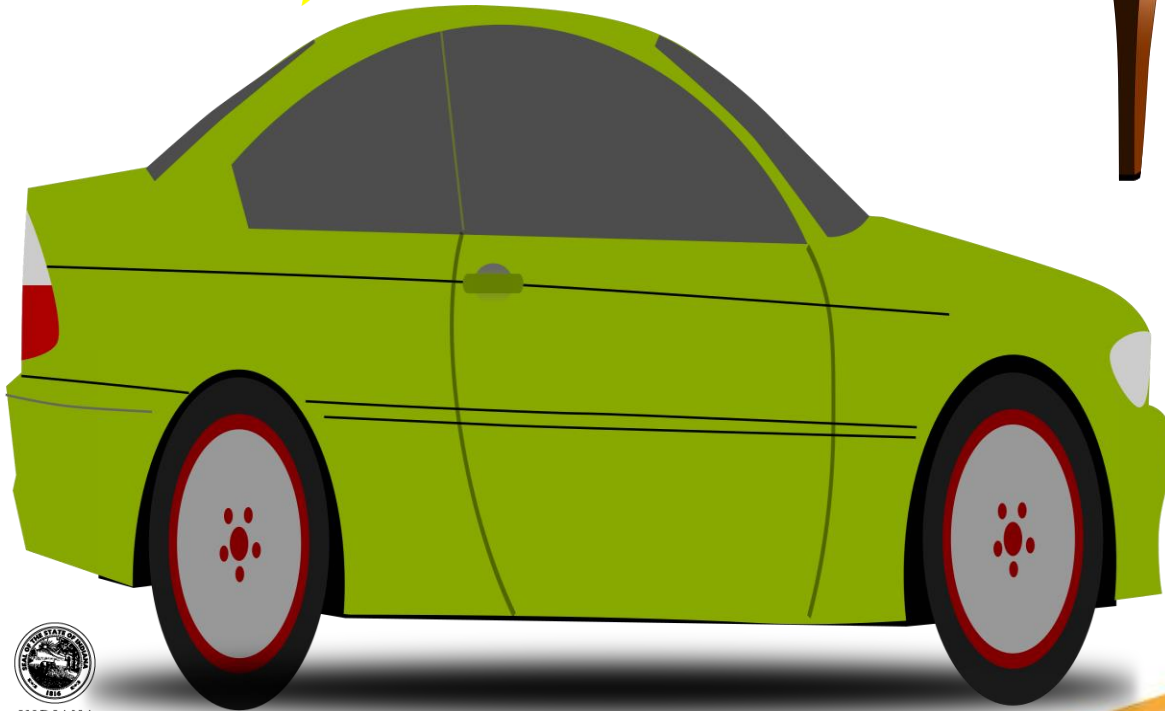

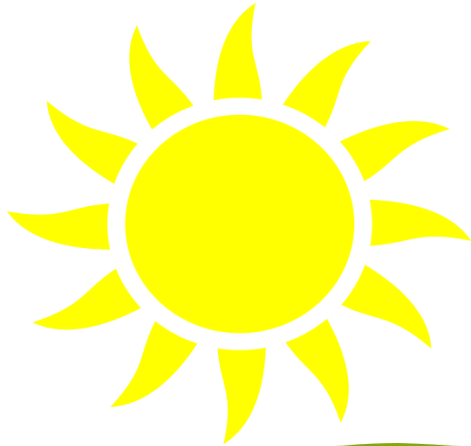

DWD Adult Education 2010-2016

Resident of French Lick, IN

Saturday I ran my first 5K -37min & 10K -77min

Data...Ugh!!!!

What Can The Numbers Tell Us?

- Who we are currently serving?
 - Demographics
- How well we are serving them?
 - Performance
- Who else should we be serving?
 - Target Populations

Let's Have Some Fun!

Demographics

1. What percentage of statewide enrollments are in institutional programs? 8%, 16% or 22%
2. What percentage of statewide enrollments are classified as youth 16-24? 35%, 39% or 43%
3. What age band has the highest number of enrollments? 16-18, 19-24, 25-44, 45-59 or 60+?
4. Indiana enrolls more Females than Males in AE. True or False?
5. The majority of enrollments identify their race as White. True or False?

Demographics - Answers

1. What percentage of statewide enrollments are in institutional programs? 8%, **16%** or 22%
2. What percentage of statewide enrollments are classified as youth 16-24? 35%, 39% or **43%**
3. What age band has the highest number of enrollments? 16-18, 19-24, **25-44**, 45-59 or 60+? **12,669 The mean age of ABE 28.74, mean age ELL 36.16**
4. Indiana enrolls more Females than Males in AE. True or False? **False M 52.61% F 47.39**
5. The majority of enrollments identify their race as White. True or False? **False 49% of enrollments identify their race as White**

Demographics x 2
